

About the Kiowa Kids Language Program:

Adult/Teen Language Class

This class is focused on family language words/phrases so that adult/teen family members can assist their own families in Kiowa language learning. It will be highly structured and you will leave with practical and working knowledge that can be immediately used within your family.

Kid's Language Camp

A fun and interactive environment for Kiowa children/youth/teenagers to acquire the Kiowa language. Older campers (teenagers) will be placed in mentorship roles with younger campers.

Kiowa Language Day

This is a fun and interactive learning environment utilizing games, sports, songs and more for Kiowa Kids and “kids at heart” to learn together on the 2nd Sunday of each month.

Kiowa Language Fair

This day is specific to learning skits - songs - etc. for presentation at the University of Oklahoma Sam Noble Museum Native Language Fair. Those in attendance will learn group and individual presentations based on age brackets. We hope to have numerous presentations for the “Kiowa Kids” group by next April. Committed attendance will be important to the success of this gathering which occurs on the 4th Sunday of each month.

Kiowa Language Conference

A one day event so that all people interested in Kiowa language can get together and share ideas , create new and relevant terminologies, share resources and plan for the continued future of the Kiowa Language.

Kiowa Language Fair Camp

This camp will focus on all the work done during the 4th Sunday Kiowa Language Fair days. It will give us an extended time to further develop our various presentations for next year's OU Sam Noble Native Language Fair and give us something fun to do during the Christmas break.

***We remind everyone to be flexible during the development of the “Kiowa Kids” program.**

For further information - suggestions - or questions please contact

Randi & Cedric Sunray at helphaskell@hotmail.com or 405.310.2548

We hope to see you all at the events. Always bring something to drink with you. Cold tohn [water] – etc.
